You can help local families like baby Charlie's

Mark, Jo and Charlie

Baby Charlie passed away in 2012 after being born with Short Gut Syndrome. Charlie was cared for at the Helen House for the last 12 days of his life.

"The service they gave us was nothing short of remarkable. We had the best of both worlds by being allowed the privacy we wanted as a family but the support we needed to get through such a difficult time. Nothing was ever too much trouble for the staff."

Charlie's Dad, Mark
