<p><b>Description of Activity and level of Station Participation</b></p> <p>There were 6 schools who participated in this first annual event. There were 10 colleges and 15 professional organizations available this day from 8:30a- 1P to give the students the opportunity to connect with positive role models in the community. We talked to students at our booth through the event regarding what would be involved to get into a career in radio. The students were given a list of questions to ask at each appropriate organizations booth. This type of an event gives the students a better understanding of what to work towards during high school and post high school years.</p>	<p><b>Description of Activity and level of Station Participation</b></p> <p>KUUG promoted and executed a free concert to promote community awareness and activity as well as provide an outreach opportunity for St Jude Children's Research Hospital and Ronald McDonald House.</p>

<p><b>Description of Activity and level of Station Participation</b></p> <p>KUUG appeared at this event from 1p-4p at Visalia Rawhide Baseball to give children a chance to throw out the first pitch at the baseball game. This is a great event to promote community awareness for community participation.</p>	<p><b>Description of Activity and level of Station Participation</b></p> <p>We had a student present at the radio stations to fulfill his senior graduation requirements with volunteer hours needed. The student learned how to broadcast baseball on the AM station. He also spent time with our evening on-air talent to learn about broadcasting and how to download syndicated shows that run on-air. The student was also involved with the music director learning about the music that is played on the stations and had the opportunity to meet some artists that came through during his time here.</p>
