House of Keys General Election  
Thursday 29th September 2011

## CONSTITUENCY OF PEEL

Dear Voter,

It has been an honour and privilege to have been your representative in the House of Keys for the last five years. I am writing to tell you that I will be standing for re-election in September and would very much welcome your support.

Between now and the General Election I will endeavour to call round to discuss with you any topics and concerns that you have. If I call and you are out but want me to call back please use one of the points of contact below and I will get back to you as soon as possible.

My manifesto will be delivered to you in the near future. I hope you will take the time to read it.

You have until September 8th to make sure you are on the Electoral Register to enable you to vote. If you would like to arrange an Absent Vote or Proxy Vote please let me know as soon as possible so I can arrange that for you.

I will be holding public meetings on Thursday 1st and Thursday 22nd September at 7pm in The Philip Christian Centre.

Prior to my election to The House of Keys in 2006 I spent 15 years as a member of Peel Town Commissioners. In the past 5 years I have gained very valuable experience in 6 different departments:

- Transport/Infrastructure leading Highways and Properties.
- Home Affairs in charge of the Prison and Probation services.
- DoLGE overseeing housing.
- Environment, Food and Agriculture responsible for Forestry, Amenity and Lands.
- Vice Chairman of the Office of Fair Trading, and Chairman of the Water and Sewerage Authority.
- I have also been on numerous Standing and Select Committees of Tynwald and the House of Keys.

The Manx Government and the Isle of Man is now in a period where it is going to be tested to the full. As a result of the changes in the Revenue Sharing Agreement we need to be able to rely on experience, commitment and a determination from the Public, Private and Third Sectors working together for the betterment of the Isle of Man.

Yours
