

PAUL HEAVEY FOR MICHAEL

14 Faaie ny Cabbal, Kirk Michael • Telephone: 301155 • Email: paulheavey@manx.net

Dear Constituent,

Please find enclosed a copy of my election manifesto. I hope that you will find the time to read it and support most of the points I mention.

Over the past few weeks, I have endeavoured to call on as many of you as possible but I apologise if I have not yet managed to see you. I plan to continue my rounds right up to polling day so there is still a risk that I might turn up at your door!

In the meanwhile, if there is anything at all, no matter how small, that you would like to discuss please feel free to contact me by phone or email. I would be happy to arrange a time and place to meet that is most convenient to you.

As polling day approaches, I am hoping that some of you would like to show your support and offer a helping hand. Please be assured, there are many ways in which you can do this and any offer of help would be greatly appreciated. However, if you are unable to offer any help I do ask that you make every effort to turn out and vote. If you foresee any problems in doing so, I would be happy to assist you in any way possible. Likewise, if you will be off the island or unable to attend for any reason, I can offer you advice so that you may still be able to vote.

I would like to take this opportunity to address a certain issue that many of you have raised. That is how I would run my business and be MHK for Michael? Please allow me to explain. I will be handing over the day to day operations of the business to my sister, Tina Carter. Many of you may know her as she has lived in Kirk Michael and Ballaugh and now resides in Jurby with her family. After 16 years of building my business, I have to say that it was a big decision for me to stand in this election and face the possibility of handing over the reins to someone else. However, Tina has been involved with the business for a number of years and I have complete confidence in her ability to take the company further. Therefore, I am all yours. I will be able to offer my full and undivided attention to my fellow constituents.

Having spoken to many of you, some at great length, I am certain that I am the right candidate for Michael. I won't lie to you. I won't let you down. I am a friend you can rely on.

Sincerely,

"A friend you can rely on"
