ALFRED CANNAN

House of Keys General Election - Thursday 22 September 2016

Dear Constituent

By the time this manifesto reaches you, I will have visited a significant number of you. That programme of visits is continuing but if you require to speak to me on any matter, please do not hesitate to contact me to arrange a home visit.

Also, in order to assist constituents who may have missed my visit or who wish to explore issues on a more in depth basis, I have arranged the following "meet the candidate" events across the Ayre & Michael region (please note the amended schedule):

Monday 5th September St Michaels Hall, Kirk Michael @ 7pm
Tuesday 6th September Lezayre Community Hall, Sulby @ 7.30pm
Wednesday 7th September Jurby Parish Hall @ 6pm
Thursday 8th September Ballaugh Parish Hall @ 7pm
Friday 9th September Andreas Parish Hall @ 7pm

I trust that my manifesto will address the main issues clearly and concisely. We need to move forward with a positive, clear and responsible plan, delivering better outcomes for our society. If you want to help deliver a modern, caring and prosperous society that respects and builds on traditional values, then I urge you to VOTE CANNAN on Thursday 22nd September.

Yours sincerely
