DAWSON *for*
Douglas West

Clive Dawson

Dear Voter

I am pleased to announce that my nomination for the vacant seat in the constituency of Douglas West has been confirmed and I would now like to introduce myself formally to you.

I have a long family-history in the Isle of Man. Many of you may remember my mother, Marie Quayle - who appeared as the leading lady in many of the shows of the Manx Operatic Society. My father ran the Open-Air Boxing at Laxey Glen Gardens and was also the proprietor of the Jurby Hotel. His brother, Wilf, was a well-known member of the Royal British Legion, and his sister, Mona, was married to Bert Caley, of Caley's Bakery in Onchan.

Growing up on the Island I attended Onchan, Ballakermeen and Ramsey Grammar Schools, and have lived in Onchan, Jurby and Douglas (West), where I now reside. Following my commissioning from the Royal Military Academy Sandhurst, I served over nine years as an Army Officer.

My other experience includes service to two Lieutenant Governors as ADC and Private Secretary, Sales and Marketing Manager in a local construction company, as an International

Introductory Letter

Schools' Business Manager in Thailand and Qatar, and more recently as a Consultant in Qatar and to a Government agency in South Korea.

Additionally, I have conducted business in a number of countries in SE Asia including China.

I enjoy walking in the Manx countryside, fly-fishing in the rivers and reservoirs, sea fishing and cooking.

My wife Angel, a former Army Education Officer, and recently, the Founding Head of an International Secondary School, is fully supportive of my decision to stand in this election. I have two daughters, the eldest of which Emily, works in Douglas in the Insurance industry and is engaged to Bryan O'Connor of Island Financial Solutions. My youngest daughter, Sophie, is working in fashion and media. You will be receiving my manifesto in due course, and it is my intention to visit all residences, and where possible to speak with everyone on the electoral roll, to discuss my policies and views and to inquire of your opinions and concerns. I look forward to meeting you soon.

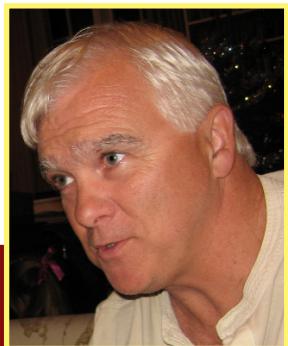

Yours sincerely,

Clive Dawson
