ROAD CLOSURES THAT MAY IMPACT YOU

To safeguard our participants, a number of roads will be closed or have restrictions on the day of the event. Latest road closure details can be seen below. Please accept our apologies for any inconvenience.

You won't be able to drive on roads that are closed. If you live on the route and need to leave by car during the event we advise that you move your car before the closure starts. If you live off the route you will need to avoid the closed roads.

EVENT INFORMATION

This year the weekend of the MK Marathon will see a 5K race on Sunday 1st May and a Marathon, 1/2 Marathon and Superhero Fun Run on Bank Holiday 2nd May. The event is expected to see over 5,000 runners over the weekend. Runners from across the United Kingdom and from over 23 foreign countries are coming to MK to see the best that the city has to offer.

Since its inception in 2010, the MK Marathon quickly became a top 10 UK Marathon. This year we have changed the routes adding a mix of new and the old, and now include the original Milton Keynes Village, Bradwell Abbey which dates back to the 14th Century, the Roman ruins at Bancroft, Bradwell Windmill which was built in c1810 and St Andrews a 13th Century church in Manor Park.

The new routes are a lot flatter, much more scenic and includes numerous beautiful lakes, picturesque parks and even the meandering grand union canal. And of course, as you would expect, the route takes in the famous Concrete Cows of Milton Keynes! Our new routes will show off the best that Milton Keynes has to offer!

VOLUNTEER

You can still join our team of 500 volunteers. As a volunteer you will receive a packed lunch, an amazing Event Crew medal as well as an Event Crew T-Shirt to wear on the day. You will also get an invite to the MKM Event Party, which will be held the evening of Saturday 7th May with a live band. You can register up until Friday 29th April @ 5pm. mkmarathon.com/eventcrew

IMPORTANT INFORMATION

We have tried to minimise road closures this year and the majority of the route will be on redways. For more information on local diversion routes, descriptions and event information visit mkmarathon.com/residents-information. Roads will reopen as the last runner passes and course materials and traffic management infrastructure are removed.
