

Local Content Program guide

Local Content Statement:

97.3 Coast FM and 91.7 The Wave, broadcast from our Mandurah facilities with a reach covering the Peel region of Western Australia.

All programming originates from the studios on Mandurah Terrace, with the exception of a number of speciality shows supplied on a daily and weekly basis.

The local content broadcast on both stations far exceeds the daily minimum hours as specified by ACMA.

The management team of 97.3 Coast FM and 91.7 The Wave (West Coast Radio), is satisfied that both stations are compliant with the new local content license conditions implemented by the Australian Communication and Media Authority on the 1st of January 2008.
