

DRAPER MEDIA GENERAL CONTEST RULES

Sweepstakes consist of prizes being offered to participants selected on a random basis whereas a contest involves entrant participation and may require participants to use specific skills to solve or complete a specified objective in order to qualify for an award or submit entry material which will be judged using specific criteria. For all purposes, hereinafter, the term "Contest" shall collectively refer to both sweepstakes and contests.

All Contests are sponsored and administered by Draper Media, 1729 N. Salisbury Blvd., Salisbury, MD 21801 ("**Sponsor**") unless otherwise stated in official contest rules.

To enter for a chance to win, entrants must listen to participating station either over the air, online, or via the participating station's mobile app. The disc jockey on air will provide listeners with instructions on the times to play and how to participate in each specific giveaway. The dates, times, winner selection methods, and prizes will vary with each giveaway, as determined in the sole discretion of Sponsor, as announced on air.

For call-in Contests: The instructions will include at a minimum: (i) the requirement for interested listeners to call the contest phone number as announced on the participating station at a certain time on a certain date, (ii) the designated caller number that the listener must be in order to obtain a chance to win, and (iii) and if there are any other requirements to win (e.g. listener must answer a question correctly). Odds of winning will be determined by the number of calls received.

For email Contests: The instructions will include at a minimum for interested listeners to send an email to an email address as announced on the participating station with specified content by a specific date. Odds of winning will be determined by the number of emails received.

For Facebook Contests: The instructions will include that interested listeners either Like or Comment on specific posts on the participating station's Facebook page by a specific date and/or time. Odds of winning will be determined by the number of participants.

By participating, entrants agree to be bound by these official rules and by the decisions of the Sponsor in all matters relating to the Contest. All decisions made by Sponsor are final.

WARNING: Listeners may be listening via the participating station stream on the Internet or the participating station's mobile app: please be advised that you may be listening to a delayed stream of the radio signal, which may vary depending on your computer's or mobile device's memory capacity and the speed of your internet connection. For that reason, we strongly recommend that you turn on your radio and tune to the participating station to participate in any call-in contest to be sure you are participating in "real time." Streaming delays may last up to several minutes. As a result, when the station announces the cue to call, listeners to the on-line or mobile app audio

stream may have a disadvantage in participating compared to those listeners who hear the Contest on a conventional FM/AM radio.
